1.2. The aim of the Adult Bursary Fund provides financial support to help students overcome specific barriers to participation so they can remain in education and achieve.

1.3. The College receives funding for 2 types of adult bursaries:

- 19+ learner discretionary bursaries for adult learners on ESFA funded courses, which are awarded to meet individual need, for example, help with the cost of travel, course materials and study trips.
- Advanced Learning Loan discretionary bursaries for adult learners on courses funded by Advanced Learning Loans, which are awarded to meet individual need, for example, help with the cost of travel, course materials and study trips.

2. Eligibility

2.1. Students must provide evidence of how they meet the three strands of eligibility for financial support to include age, residency and household income, as well as be studying on a programme that is subject to inspection by a public body such as Ofsted and the course must be funded directly by the ESFA or by the European Social Fund (ESF).

2.2. Applications will be judged in line with AEB funding guidance for 2024/25

2.3. Eligibility for the **19+ discretionary bursary** requires that a student:

- be aged 19 or over at 31 August 2024 and not on a traineeship

2.7. The Chair of the Bursary Panel has the right to vary the College's discretionary eligibility criteria in cases of extreme hardship providing the ESFA requirements are met.

3. Assessment Criteria

- 3.1. All ESFA funded bursaries are means tested and based on household income. Learners who have a household income up to £45,000 may apply. Applicants are expected to provide evidence to support declared household income as detailed in **Annex A**.
- 3.2. All income and benefits (including housing benefit, council tax benefit, working tax credits, child tax credits, etc.) are taken into account. The College does not take into account Child Benefit, Disability Living Allowance or Personal Independence Payment when calculating total household income.
- 3.3. For Universal Credits we will ask for the 3 most recent monthly award statements. The take-home pay figure in addition to the amount of Universal Credit after all deductions will give a total monthly income. The 3 months statements will act as a guide to the household income for a quarter of a year and will be multiplied by 4 to estimate annual income.
- 3.4. For parents/guardians or students who are self-employed, the College will assess income based on Gross profit, but taking into account any business expenditure. For example, household items, mortgage and food would not be deducted from Gross profit but servicing of farm machinery, stationery, etc. would be deducted.
- 3.5. An assessment is made based on a completed and signed declaration from the learner or parent/guardian (dependent upon age and circumstance of learner) detailing income from employment and/or benefits along with supporting evidence of all declared income.

- 3.6. In order for funding to be awarded, the College expects that certain standards of behaviour and attendance will be met. Learners are expected to adhere to the Terms and Conditions as published in Annex B at all times and attend all lessons. In circumstances where a learner is involved in disciplinary proceedings or has poor attendance, funding may be withheld or reclaimed at the College's discretion.
- 3.7. The College can only guarantee discretionary bursary awards for applicants applying by the **05 August 2024 prior to the academic year of study**. Applications made after this date will be awarded if there is funding available.
- 3.8. Online Applications are available to all eligible students until the specific funds closure dates or when funds are exhausted, whichever is sooner. The bursary panel reserves the right to bring forward, or extend the closing date of a fund.
