

Careers Advice Entitlement for Adult Learners @ The Bedford College Group

As part of our commitment to preparing you for long-term career success, all learners and apprentices at The Bedford College Group have unlimited access to our impartial, highly qualified and experienced team of Student Advisers.

We provide a personalised service, ensuring that the careers information, advice and guidance you receive is tailored to your individual goals, circumstances and aspirations.

- 1-2-1 Careers guidance – with a qualified careers adviser to discuss aspirations and barriers
- Career change support - structured guidance for adults considering a complete change of sector
- Action Planning – developing a clear step by step roadmap outlining the qualifications or experience required for your chosen path
- Impartiality - providing unbiased advice on all available routes, including higher education, apprenticeships, or direct employment.
- CV and application help - targeted workshops or individual sessions to refine CVs, write personal statements, and complete job applications.
- Interview preparation - mock interviews and coaching to improve confidence and performance for both jobs and university placements
- Job Search skills - guidance on using modern job boards, LinkedIn, and networking to find current opportunities.
- Labour Market Information - up-to-date data on local and national job trends to ensure your choices are realistic and informed
- Higher Education & Higher Technical Skills Support - help with UCAS applications and understanding different degree pathways, including degree apprenticeships
- Funding Information - advice on student finance, grants, and other financial support available for adult learners

How to book an appointment with a careers adviser :
