

# Careers Advice Entitlement for Apprentices @ The Bedford College Group

As part of our commitment to preparing you for long-term career success, all learners and apprentices at The Bedford College Group have unlimited access to our impartial, highly qualified and experienced team of Student Advisers.

We provide a personalised service, ensuring that the careers information, advice and guidance you receive is tailored to your individual goals, circumstances and aspirations.

- 1-2-1 Careers guidance – appointments with a qualified careers adviser to discuss long term ambitions, progression routes and any barriers you may face
- Labour Market Information - up-to-date local and national data on salary expectations, skills shortages and emerging roles within your sector.
- Career Progression Planning - a clear step-by-step action plan outlining higher-level apprenticeships, professional qualifications & registration and alternative routes
- Higher Education & Higher Technical Skills Support – guidance on progression to HTQs, degree apprenticeships and university pathways including UCAS applications.
- Impartial Advice – unbiased guidance on all available options including higher & degree apprenticeships, professional registration & alternative employment
- Transition Support – careers conversations at key stages: start of programme, mid-point reviews, Gateway, End Point Assessment and completion.
- Professional Development Support - advice on CPD planning, professional body membership, and building your professional portfolio
- Funding & Financial Guidance – advice on employer sponsorship, student finance and funding options for further study.
