Bedford College Residential Bursary 2026/27

Information for Accommodation providers

Residential	Government funded financial support for students aged 16 years and over on eligible funded courses.
Level of Support	<p>Our financial support is merely a contribution towards the costs of a student's residential support whilst in College. Accommodation providers must ensure they have an arrangement with the student to obtain any outstanding balances over and above our contribution and where the bursary is not released due to students falling below the attendance threshold.</p> <ul style="list-style-type: none">• Where household income is less than £16,190 students will receive a bursary up to £380 per month (paid in arrears directly to the provider)• Where household income is between £16,191 and £42,500 (or up to £45,000 if the student is aged 19+) students will receive a bursary up to £265 per month (paid in arrears directly to the provider).
Period of Support	Most of our courses run over 35 weeks. We will only provide funding for residential support during timetabled weeks on a term-time only basis. The academic year comes to an end on 25th June 2027.
Payment	A direct payment to the accommodation provider in arrears in the 1st week of each month, starting from 2nd October 2026. <i>Please note the Residential Bursary does not pay for deposits or retainers.</i>
Notice Periods	The College will only pay for a maximum notice period of up to four weeks in the event that a student withdraws from the College without informing the accommodation provider. Accommodation providers are advised to inform the college of any absence of one week or over where they are receiving funding.
Award / Payment Notification	<p>A copy of the student's award letter will be sent to the accommodation provider.</p> <p>The award letter will show how much the student has been awarded and the date the payments will be made to the accommodation.</p>
Bursary terms and conditions	Please note, a student has to meet an agreed attendance threshold in order for the college to release the students' bursary payments. When a student does not meet the attendance threshold and a bursary payment has not been released, the outstanding amount will be the liability of the student.
